Migration and Development: A Roadmap to a Global Compact

SEPTEMBER 2016

2016

The event will highlight possible elements needed to be included in the proposed “Global compact for safe, orderly and regular migration.” World Bank will present a paper highlighting global migration trends, fundamental drivers and the benefits and costs of migration, and a role for the MDBs and IFIs. Global leaders in the panel will share their country's vision, expectations and a practical roadmap for the proposed global compact.
